

Catalina 36 Tall Rig

Make:	Catalina	Hull Material:	Fiberglass
Model:	36 Tall Rig	Draft:	5 ft 6 in
Length:	36 ft	Number of Engines:	1
Price:	\$ 58,000	Fuel Type:	Diesel
Year:	1988	Number:	6194961
Condition:	Used		
Location:	Seattle, WA, United States		

Description

New Listing

“Content” is a super clean Catalina 36 is a British Columbia veteran supporting up to five people for winter trips into the Sechelt inlet. She is specifically rigged to run night or day using her radar, AIS, and chart plotters to ensure a safe

passage. She is also a great boat for winter or summer trips with dual cabin heat systems for the chilly nights and a 12v hatch mounted fan for the summer. Her clean well maintained interior enables a galley chef to interact with guests while at the same time put together great meals or cocktails. Content's head is spacious enough for a 6'2" male and offers a separate shower seat and bilge pump allowing her owners to maintain a shore like existence.

"Content" has seen many upgrades over the years; newer Universal Diesel, newer electronics, newer refrigeration, newer bottom paint and the list goes on. "Content" is a turnkey yacht ready to go cruising – just add provisioning, push off the dock and the Salish Sea is yours to explore.

Measurements

LOA:	36 ft 4 in	Ballast:	6000 lb
Beam:	11 ft 11 in	Displacement:	15000 lb
Max Draft:	5 ft 6 in	Displacement Type:	Full Load

Propulsion

Engine #1

Engine Make:	Universal	Hours:	unknown
Engine Model:	M-25XP	Power:	25 hp
Primary Engines:	Inboard
